## EXPERIENCE

### FPT Software Company

15/05/2023 - 15/08/2023

#### Experience Description:

- **Angular Application Development:** Contributed to the full development cycle of applications, from UI design to deployment. Utilized Angular to build dynamic and interactive front-end components, optimizing the user experience.
- **API Interaction:** Worked closely with the backend team to seamlessly integrate APIs, ensuring continuous and synchronized data exchange between the frontend and backend.

## PROJECT
